MADE IN USA

Our Versa Collection (Kitchen, Vanity and others) are designed and built to the highest standard of the industry. We source top quality raw materials domestically in North America and perform all the manufacturing also in the USA. Assuring in this way the quality of the final products.

All our cabinets comply with the **TSCA Title VI EPA** rule and the **CARB ATCM** Phase II emission standards.

The fact we source our raw materials and manufacture 100% in the US, warranties excellent real lead times for initial purchases, and short response time when needed.
